

Comfort, Health, & Safety

**Honeywell FC40 Media Air Cleaner** **INSTALLED PRICE \$**

**Features**  
 4 inch thick media air cleaner that fits in most standard filter grills. Up to 10 times more effective than a standard 1 inch filter.

**Benefits**  
 Delivers good filtration performance in a convenient easy to replace design that can last 6-12 months.

**Honeywell F100 Media Air Cleaner** **INSTALLED PRICE \$**

**Features**  
 Captures up to 40 times more airborne particles passing through the filter than a standard 1" filter. Use your circulating furnace fan for real improvement of indoor air quality. 5-Year Warranty.

**Benefits**  
 Protects your family's health by cleaning the air that you breathe. Removes airborne dust, pollens and other contaminants. Maintains high air flow in your system so it can function at full efficiency and comfort.

**TrueCLEAN Electronic Air Cleaner** **INSTALLED PRICE \$**

**Features**  
 A TrueCLEAN system cleans the air in your home using advanced 3-step filtration technology: It charges, captures, and destroys up to 99% of the particles and contaminants passing through the system.

**Benefits**  
 Delivers efficient whole-house air cleaning performance with easy maintenance. Clean air helps create a comfortable home.

**UV Treatment System** **INSTALLED PRICE \$**

**Features**  
 Uses ultraviolet light to clean the air circulating through the ductwork in your home.

**Benefits**  
 Deactivates airborne and surface contaminants like mold, bacteria, and viruses. Neutralizes household odors.
